

Port Cargo Crane

Grab

Container spreader

Multi-purpose Cargo Crane

Port Cargo Crane | Loader | Unloader
 Unloading, Loading General cargo, Bulk cargo. Increasing port productivities by multi-purpose cargo crane equipped with various spreader (telescopic container spreader or grab)

Port Cargo Crane series

Port Unloader | Loader

Capacities

Spreader type	Hook	Grab
Material handling	varios goods	bulk cargo, grain, coal, cement etc.
Max capacity (under spreader)	5.0 ~ 60ton	5.0 ~ 50ton
Lifting height (above rail)	15 ~ 35m	15 ~ 35m
Lifting height (under rail)	9 ~ 20m	9 ~ 18m
Work Grade	A5, A6, A7, A8	A5, A6, A7, A8
Max outreach	15 ~ 50m	15 ~ 50m
Rail span	9.0 ~12m	9.0 ~12m

Standard Speeds-Maximum

Hoisting with load	10 ~ 25 m/min	10 ~ 25 m/min
Hoisting without load	15 ~ 35 m/min	15 ~ 35 m/min
Luffing	15 ~ 55m/min	15 ~ 55m/min
Slewing	0.8 ~ 2.0 r/min	0.8 ~ 2.0 r/min
Gantry travel	20 ~ 30 m/min	20 ~ 30 m/min

Performance & Option

Drive

Standard: Fully electric/power supply via cable drum along with rail

Option: Fully electric/power supply via on-board diesel generator

Control system

Cabin operatin, Crane management system, quick-detachable spreader, automatic cable drum, PLC system, stepless speed control, monitoring system;
